second-class matter. lished every THURSDAY by M. F. CONLEY.

EDITOR AND PROPRIETOR. TELES-\$1.00 per year in advance

OFFICE .- Old Clerk's Office Building LOUISA, KENTUCKY.

All verding cates ferois ed a son application THURSDAY, FEBRUARY 16th, 1888.

The Blair bill was to have been

disposed of in the Senate yesterday. Mrs. Cleveland went to New York Saturday to see her mother, Mrs.

Folsom, safely off to Europe.

Representative Scott, of Pennsyl- Lay vania, will probably succeed Mr. Times. Barnum as Chairman of the National Democratic Committee.

The heirs of the late John Roach \$2,500,000 damages, for refusing to accept ships built by Mr. Roach.

committee left Morehead for Frankon the part of the officials was discovered.

Bob Lincoln is first choice of Iljinois Republican editors for President, and Blaine is second choice The Democratic editors, with one exception, are for Cleveland.

Tracheotomy was successfully performed on the throat of Crown Prince William, of Germany, last week. The operation was necessary to prevent him from strangling.

Hon. W. P. Taulbee has been selive on the Democratic Congressional Committee, to assist the National Committee in campaign work.

Senator Riddleberger has yet over twelve months of Senatorial life, instead of "only a few days", papers. And he seems determined ed Burng, who is counted in the that won't carry it through, but a to "make Rome howl," as it were, during this time.

ver certificate has been put in cir- to uphold the majesty of the law formed; the money is raised; it will culation. necomplishes for everybody exactly what inclaimed for? One of the reasons for the great popularity of the Musiang Inlinent is found in its universal applicability. Everybody needs such a melicine. The Lumberman needs it in case of socident. The Housewife needs it for general family use. The Caunier needs it for his teams and his mea. The Mechanic needs it slways on his work bench.

The Miner needs it in case of emergency.
The Plenser needs it on 't get along without
The Farmer useds it in his house, his see

The Farmer reads it in his house, his stable, and his stock yard.

The Steambeat men or the Heatman needs it in liberal supply affeat and ashore.

The Herse-fauncier needs it—it is his best frienc and safest reliance.

The Stock-grower needs it—it will save him isocasands of deliars and a world of trouble.

The Railread man needs it and will need it so long as his life is a round of accidents and dangers.

The Back-woodaman needs it. There is nothing like it as an antidote for the dangers to life, limb and comfort which surround the ploneer.

imb and comfort which surround the ploneer.

The Herchant needs it about his store among the employees. Accidents will happen, and when these come the Hastant Lininess is wanted at once.
